

Conversation For the Ages

The Roles

(or, Richer they are, more they steal)

-May I say that I find your latest political incarnation so thoroughly disgusting as to be transcendent?

-Please do! No harm in college boy words.

-Right wing zealot! How can you sleep?

-Easy! My Louisa wears me out with screwing!

-As she did last year when you pretended Vlad Lenin?

-She's an Equal Opportunity Rabbit.

-He had more chin than ten Trumps.

-Didn't he? Almost as much as Mussolini.

-Don't end like him! Last days hanging around a Milan gas station.

-His mistress beside him, likewise upside down.
Nice panties!

-Ah but they tied her skirt for modesty!

-Put modesty with murder, you get politics.

-Yeah, but leave out Race and you got nothing!
